

# Dundee Wheelers Cycling Club – Racing Support Policy

Dundee Wheelers Cycling Club wish to support members of the club who undertake regular competitive races in any discipline. This support could be in the form of a single “Event Participation” payment or support with the purchase of Dundee Wheelers official race clothing. To be eligible for support, the club member qualifying criteria are:

- Should be a paid-up club member for a minimum of 3 consecutive years. The committee reserves the right to adjust this criterion on a case by case basis.
- Dundee Wheelers MUST be their primary club (First Claim Club).
- Be competing in a recognised race series hosted by a recognised body (sportives or single events do not qualify). For example:
  - British Cycling / Scottish Cycling Road Races
  - Scottish Cyclecross Association Races
  - Cycle Time Trial (Scotland) events / series
- Event registration must name Dundee Wheelers as the club they are representing.
- Compete in Dundee Wheelers official kit.

Members who meet the support criteria, can apply for support from the club. The application should ideally be made prior to the racing series commencing. However, all applications will be reviewed by the committee. Please note the committee meets on a monthly basis, usually the third Tuesday of the month.

The “Event Participation” payment is nominally set at £100 per year.

The successful applicant will receive within 2 weeks of the committee approval. Where race clothing has been purchased, please could the receipt be copied to the Treasurer for audit purposes and to allow reimbursement.

The payment level will be reviewed by the committee on an annual basis.

The payment can go towards

- Entry fees.
- Travel costs.
- Official club kit.

The member can apply annually for support, if they meet the qualifying criteria.

***Any club member who receives a payment must agree that any event photographs / media clips could be used by Dundee Wheelers for club promotional purposes.***

If there is a significant “one-off” competition, e.g. UCI Masters World Championship, then applications can be made to the committee for additional support. The committee will consider this additional application on its merits.
